A Revolutionary Workshop for Actors Conducted By Piero Dusa

This groundbreaking course is designed to empower actors to expand and broaden their ability to create riveting characters.

In this revolutionary new technique, actors learn the skills to develop a character by understanding a preference-based approach to their performance. This foundation to the actor's approach to character results in total confidence in the choices made and the performance delivered. Once you sign up, your "16 Decision Making Process Blueprint" will be sent to you. This short assessment will help you determine your personal preferences and how you make decisions. It's fun.

It's only by knowing yourself First that you can truly know your character.

Preference will give a blue print to Establish Character in the first 3 beats and new tools that **very few have**. It will make you stand out from the rest.
